IN REPLY PLEASE

REFER TO FILE: **C-1**

December 5, 2006

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**ADOPT AND ADVERTISE  
MISCELLANEOUS TRANSFER DRAIN 622, LINE 22  
MARIE CANYON WATER QUALITY IMPROVEMENT  
SUPERVISORIAL DISTRICT 3  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY  
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

1. Find that this project is exempt from the provisions of the California Environmental Quality Act.
2. Find that this project has designated materials by a specific manufacturer to conduct a field test to determine the product's suitability for future use.
3. Approve the project and adopt the plans and specifications for Miscellaneous Transfer Drain 622, Line 22, Marie Canyon Water Quality Improvement, in the City of Malibu (3), at an estimated cost between \$700,000 and \$825,000.
4. Call for bids to be received on January 9, 2007.

5. Instruct the Executive Officer of the Board of Supervisors to advertise the project and seal and return the plans and specifications to Public Works for filing.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

This action involves contracting for the construction of a low-flow diversion weir in an existing reinforced concrete box conduit and a reinforced concrete sump, furnishing and installing a runoff treatment system, and other appurtenant work.

This project designates the use of an urban-runoff treatment system produced by Clear Creek Systems, Inc., for the purpose of conducting a field test to determine suitability for future use.

This project is part of Public Works' ongoing program for the construction of structural measures to direct nonstorm flows in storm drains to treatment plants for additional treatment to improve water quality prior to discharge.

### **Implementation of Strategic Plan Goals**

This project is consistent with the County Strategic Plan Goal of Service Excellence since it will remove contaminants from our storm drain system and prevent them from entering the downstream receiving waters.

### **FISCAL IMPACT/FINANCING**

The estimated construction cost is in the range of \$700,000 to \$825,000.

Sufficient funds for this project are available to the Flood Control District for Fiscal Year 2006-07.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The enclosed plans and specifications include the contractual provisions, methods, and material requirements necessary for this project. The contract agreement will be in the form previously approved by County Counsel.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws.

### **ENVIRONMENTAL DOCUMENTATION**

This project is categorically exempt pursuant to Section 15301 (b) and (f) of the California Environmental Quality Act Guidelines and Class 1, Subsections (e), (i), and (l), of the revised County Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987.

### **CONTRACTING PROCESS**

This project will be contracted on an open competitive bid basis. The contract will be awarded to the lowest responsible bidder meeting the criteria established by your Board and the California Public Contract Code.

To increase contractor awareness of our program to contract work to the private sector, this project will be listed on the County website for upcoming bids.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report False Claims Act violations, labor law/payroll violations, debarments, civil litigation history, and prior criminal convictions. The information reported will be considered before making a recommendation to award.

Public Contract Code Section 3400 provides for the use of products furnished by a specific manufacturer, and requires that your Board make a finding and disclose it in the invitation for bids. Language has been incorporated into the Notice Inviting Bids that a particular product is described by specific brand or trade name for the purpose of performing a field test to determine the product's suitability for future use.

The project specifications contain provisions requiring the contractor to (1) comply with the County's Child Support Compliance Program, (2) report solicitations of improper consideration by County employees and allowing the County to terminate the contract if it is found that the contractor offered or gave improper consideration to County employees, (3) comply with the requirements of the County's Contractor Employee Jury Service Program, and (4) comply with the Newborn Abandonment Law (Safely Surrendered Baby Law).

The Honorable Board of Supervisors  
December 5, 2006  
Page 4

The project specifications also contain a provision that, should the contractor require additional or replacement personnel to fill employment openings, consideration shall be given to hiring qualified participants in the County's Greater Avenues for Independence or General Relief Opportunities for Work Programs.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The project is to be completed in 80 working days. It is estimated that the work will start in March and be completed in July 2007. Local residents and businesses will be informed that traffic and local access will be mildly disrupted during the construction.

### **CONCLUSION**

Please return one adopted copy of this letter to Public Works.

Respectfully submitted,

DONALD L. WOLFE  
Director of Public Works

**MISCELLANEOUS TRANSFER DRAIN 622, LINE 22**  
**MARIE CANYON WATER QUALITY IMPROVEMENT**  
**INSTRUCTION SHEET FOR PUBLISHING LEGAL ADVERTISEMENT**

From: Department of Public Works  
Construction Division

**PUBLISHING**

In accordance with Section 20991 of the Public Contract Code.

Publish: At least five or more times prior to the date set for opening bids, in a daily newspaper of general circulation printed and published in the County and designated by the Board, or for at least two times prior to such date in a weekly newspaper printed and published in the County and designated by the Board.

Time Limitation: To open bids in five weeks.

## NOTICE INVITING BIDS

Sealed Bids will be received by the County of Los Angeles Department of Public Works, Construction Division, for the construction of a low-flow diversion weir in an existing reinforced concrete box conduit and a reinforced concrete sump, furnishing and installing a stormwater runoff treatment system, and other appurtenant work under Project ID No. FCC0001015, Miscellaneous Transfer Drain 622, Line 22, Marie Canyon Water Quality Improvement, in the City of Malibu.

The Bids must be submitted at the Cashier's Office, located on the Mezzanine level, 900 South Fremont Avenue, Alhambra, California 91803-1331, before 11 a.m. on Tuesday, January 9, 2007. The Bids will then be publicly opened and read in Conference Room A or at the location posted in the main lobby.

The Work shall be done in accordance with the Plans and Specifications on file and open for inspection at the County Board of Supervisors Executive Office and the Department of Public Works. The Work is estimated to cost between \$700,000 and \$825,000 and shall be completed in 80 working days. The Work requires a Class A or C42 contractor's license. Prebid questions regarding the Plans and Specifications should be directed to Mr. Abed Mohsen at (626) 458-7982.

The plans and specifications for this project specify a stormwater runoff treatment system by specific manufacturer for the purpose of performing a field test to determine product suitability for future use.

The Bids must be submitted on the Proposal forms included in the Bidder's package of the Contract Documents, which may be purchased for \$15, if picked up at the aforementioned Cashier's Office, (626) 458-6959, Monday through Thursday between 7 a.m. and 5:30 p.m., or for \$19, if mailed, which includes postage and handling.

Each Bid must be accompanied by a certified check, cashier's check, or surety bond payable to Los Angeles County in an amount equal to at least 10 percent of the Bid to guarantee that the Bidder will enter into the Contract if it is so awarded.

All persons performing the Work shall be paid not less than the General Prevailing Wage Determination made by the Director of Industrial Relations pursuant to the California Labor Code. Copies of these wage rates are available at the Department of Public Works.

The Bid must provide full disclosure of False Claims Act violations, labor law/payroll violations, debarments, and civil/criminal legal actions as provided for on the forms included as part of the Proposal. Failure to complete these forms may result in a determination that the Bidder is nonresponsive and/or not responsible.

The Contract, if awarded, will be awarded to the lowest responsive and responsible Bidder; however, the Board of Supervisors reserves the right to reject any and all bids.

A responsible Bidder is a Bidder who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible contractors.

The successful Bidder will be required to fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees and comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance throughout the duration of the Contract. Failure to comply may be cause for termination of the Contract or initiation of debarment proceedings.

The successful Bidder will be required to submit a faithful performance bond, payment bond, liability insurance, and workers' compensation insurance with the Contract.

As provided for in Section 22300 of the California Public Contract Code, the Contractor may substitute securities for any monies withheld by the Department of Public Works to ensure performance under the Contract or enter into an escrow agreement for payment of such monies to an escrow agent.

Each person by submitting a response to this Notice Inviting Bids certifies that such Bidder and each County lobbyist and County lobbying firm, as defined by Los Angeles County Code Section 2.160.010, retained by the bidder, is in full compliance with Chapter 2.160 of the Los Angeles County Code.

Para mas informacion con relacion a esta noticia, por favor llame a este numero (626) 458-3118. Nuestras horas de oficina son de 7 a.m. a 5 p.m. de Lunes a Jueves.

The County supports and encourages equal opportunity contracting.

By order of the Board of Supervisors of the County of Los Angeles, State of California.

Dated December 5, 2006.

Sachi A. Hamai  
Executive Officer  
of the Board of Supervisors
